

What are COMMUNITY FOUNDATIONS?

Community foundations are charitable organizations built over time through gifts donated by various community members and organizations. These gifts are then pooled and permanently invested through trusted institutions. Each year, a portion of the interest earned on these investments is granted back to support your local charities. And, best of all, since the permanent investments are never spent, your gifts will continue to support your community forever.

What is the ENDOW MANITOBA 24/7 GIVING CHALLENGE?

The Endow Manitoba Giving Challenge is your opportunity to help your community foundation grow exponentially. Gifts made to your community foundations' UNRESTRICTED FUNDS between **November 15-21** will be "stretched" through the combined efforts of the Manitoba government and The Winnipeg Foundation. For every \$5 donated, they will "stretch" that donation by \$1 each, up to a combined total of \$4,000 per foundation. So your \$10 gift instantly becomes \$14 for your community! In addition, Lloyd Jensen has made the challenge to match up to \$5000 in donations.

That means a \$10 donation actually becomes \$19, or \$10,000 becomes \$19,000!!!

Gifts may be made online at endowMB.org or through our community foundation.

Please visit our website at www.interlakefoundation.ca for all of the details on how you can help us reach our goals!

Lloyd Jensen has once again made his challenge of matching \$5000 for the first \$5000 donated by residents or businesses.
