How to Give a Major Capital Campaign Gift

Types of Gifts

Your gift can be contributed as:

- An immediate one-time gift
- A pledge over three to five years
- A planned gift

Community donations to help build the new PCH are being collected and receipted by the Interlake Community Foundation, with all funds going directly toward creating a modern, nurturing environment where dignity, respect, and care are paramount.

Ways to Give

Donations

There are many ways to make a donation to build our new PCH.

By cheque, over the phone or online:

Send a cheque made out to Interlake Community Foundation. Please indicate in the cheque memo that it is for the Stonewall & District PCH Fund, and mail it to Box 1575, Stonewall, MB R0C 2Z0

By Giving Securities

- For many people, securities are a great way to give and often provide a better tax advantage than a straight cash donation.
- Donating securities that have appreciated in value will reduce the tax you pay on capital gains.
- Please speak to your advisor to see if donating securities is right for you, then contact the Interlake Community Foundation to arrange your securities transfer.

By Making a Pledge

- Many people find pledging a gift over a few years helps them give more.
- You can maximize your contribution by setting up a pledge to make instalments over a period of up to five years.
- You may choose to make the activation of your pledge conditional on completion of a project milestone, such as an announcement confirming the government's support or the awarding of the construction contract.

Planned Giving

- For those who wish to make a significant gift to our new regional PCH, a planned gift may provide a good opportunity and tax advantages.
- You may choose to leave a lasting impact through a bequest in your will, or by planning a gift through a life insurance policy. Always consult appropriate legal and financial advisors when planning a charitable gift.
- Contact the Interlake Community Foundation for assistance in formalizing your planned gift.

Whatever your choice, your contribution will ensure our families and our region will have the PCH we need and deserve.
