AUDITORS' REPORT

To the Directors of
Interlake Community Foundation Inc.

We have audited the statement of financial position of Interlake Community Foundation Inc. as at December 31, 2006 and the statements of operations and changes in net assets and cash flow for the year then ended. These financial statements are the responsibility of the foundation's directors. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the foundation as at December 31, 2006 and the results of its operations and the changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

INTERLAKE COMMUNITY FOUNDATION INC.

Notes to Financial Statements
December 31, 2006

1. Purpose of the organization:

The Foundation is an organization established to endeavour to make the communities of the South Interlake region a better place to live. The Foundation is incorporated under the Manitoba Companies Act as a not-for-profit organization and is a registered charity under the Income Tax Act.

2. Significant accounting policies:

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets. Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Fair value

The carrying amount of cash, accounts receivable, and accounts payable approximate fair value because of the near-term maturity of those instruments.

Financial Risk

Financial risk is the risk that arises from the fluctuation in interest and market rates and the degree of volatility of those rates. The Corporation does not use derivative instruments to reduce its exposure to interest risk.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. Actual results could differ from these estimates.

Investments

Investments are recorded using the cost method.

Capital assets

Capital assets are recorded at cost. No amortization has been recorded in the accounts.

Grant commitments

Board approves commitments for grants which are not disbursed by December 31 are shown as a current liability.
